

Breathing Air Reel

ReCoila® Gen III BD series reels are ideally suited for supplying breathing grade air to air fed respirators to better manage the supply hose making it safer for the operator particularly in confined work areas. This reel is also used for shallow diving applications.

Model	Hose ID	Hose Length	Max PSI	Inlet Fitting	Outlet Fitting	Temp Range	Weight
BD820	8-mm	20-m	240	3/8" BSPF	3/8" BSPM	-5/+60°C	12Kg
BD1020	10-mm	20-m	240	3/8" BSPF	3/8" BSPM	-5/+60°C	12Kg
