

# Stainless Steel Spring Rewind Reels

## Corrosion Resistant

The SE range of high quality stainless steel hose reels will increase the life of expensive wash down, chemical, and fluid transfer hoses. By properly storing your hose on our range of stainless steel hose reels, you will be reducing the risk of tripping accidents caused by improper hose handling.

Model	I.D		O.D	Length		Connection		Weight	Model	Weight	Dimensions in mm		
with hose	mm	inch	mm	m	ft	inlet	outlet	with hose	without hose	without hose	W	L	H
